

CANDY CREATIONS MANUFACTURING GROUP LTD. is a major international candy designer, manufacturer and distributor, with offices in Shenzhen, Hong Kong, the UK and Australia. As part of a major expansion program, we immediately have vacancies for the following two posts:

Operations/Project Manager

CCMG is opening a new production plant in Guangdong and is looking for an experienced manager to head up this operation. The successful candidate will have direct experience of manufacturing in China and be well versed in the operational and commercial aspects of running a production plant in China. Previous experience in food manufacturing is advantageous but not essential.

Sales and Marketing Manager

CCMG is looking for a young, enthusiastic and ambitious sales and marketing manager to assist with the development of our worldwide export of confectionery products. Previous experience in a similar role is advantageous but not essential. We're looking for somebody with a willingness to learn from experienced colleagues but also inject some new creativity. The successful applicant will be involved in a wide range of sales and marketing functions for the business as well as lead a team of local sales and marketing assistants.
