

Rickshaw Race - Jan 8!!!

MBS Alumni Association (China) will join the 15th ACCA Charity Fun Day and the Rickshaw Race.

You are cordially invited to run for MBS, we would need **a team of 4 runners** in the race. It's just for fun, and we are not competing to win (though that'll be a bonus!), so no need to worry if you are not the fast runner. MBS really counts on your support to make the event enjoyable and a worthwhile one.

If you don't want to run, you could **join the cheering team**. Traditional rickshaw races had a fabulous costume parade / street performance and interesting game booths!
