

Ronald Kong
Senior Vice President, China Hand Fund

Alumnus of Manchester University (BSc and MBA)
Chairman of MBSAA China (2007-08)
The Panelist of Manchester Business Summit 2011

Currently Mr. Kong is the Senior Vice President, China Hand Fund Management LLC, a Private Equity Fund focused on opportunities in Mainland China. In the past 3 years, the fund invested over 500MUSD in China in the past 3 years and has several successful IPOs outside China.

Aged 47, Mr. Kong is a seasoned international business executive with more than 20 years of experience in China, Hong Kong, Europe and North America. Prior to joining China Hand Fund, Mr. Kong held various senior positions with multinationals.

Previously, he was the Chief Representative and Business Development Director for Orange Business Services in China; helping Orange Business Services to develop its service portfolios in the region.

Before that Mr. Kong was the Managing Director of SITA Greater China, the world's leading provider of global Information Technology and telecommunications solutions to the air transport and related industries.

Before that, Mr. Kong was the General Manager of InfoSky in Beijing. InfoSky is the joint venture company between SITA and TravelSky, providing information services to air transportation industry in China. In 1980's, Mr. Kong was with Cathay Pacific Airways in the capacity of Senior System Specialist.

His exposures in the last 20 years in China, Hong Kong, Europe and North America helped him establish an extensive network ranging from academics in leading universities to senior management and government officials in China plus investment experience esp PE and JV.
